Double Stuffed

Dear Virgin Territory,

Thanks for the bonus photo of the beautiful Amai Liu getting double the pleasure with her beautiful, big nipples hanging down in the Dec. '12 issue. What would make it perfect would be if she were sucking my big cock, and I was pulling or milking her great-looking nipples while she was getting DP'd to give her triple or quadruple the pleasure. What an awesome feeling it must be for a woman to get her mouth filled with cum at the same time her ass and pussy are being filled and her nipples and tits are being worked good. What a great orgasm she must have.

I hope we see some double or triple penetration layouts in 18eighteen soon. The best position to do triple penetration is probably the doggie-style position with one guy doing her pussy on his back underneath her so he can suck and pull her nipples to give her quadruple the pleasure. Amai Liu would be a great gal to pick to do triple penetration with her super-hotlooking big nipples.

Would it be possible for you to publish some of the photos of Rebecca getting DP in 2001 in 18eighteen again? Or to back order an issue of the Dec. '01 issue? It seems kind of odd or strange that a gal hasn't done DP in 18eighteen in 11 years. I thought that was supposed to be the ultimate sexual experience for a woman. It would be great if gals who have done DP or TP would write to 18eighteen and tell us what that intense sexual experience was like for them.

Well I hope

Readers like H. love Kylie's cotton panties. They're so cute!

some of these beautiful gals in 18eighteen in the near future give us double or triple or quadruple the pleasure with some hot real naughty photo layouts.-K.C., Minot, North Dakota

From what we've gathered by talking to our models, many of them are not ready to try DP. They are still young and inexperienced, and the idea of taking on two or more cocks at once can be intimidating. Many of them are still learning how to handle one cock! Yes, some of them are more adventurous than others, but even the most experimental teens only go so far as to try anal. Hopefully we will come across more girls who are willing to try it.

But in the meantime, here is that photo of Rebecca you mentioned.

Bra and Panties

Dear Virgin Territory,

What a great job you did with showing bra and panty shots. That is exactly what I love. Your Dec. '12 issue is fantastic. Kylie on page 26 has on exactly

> the kind of panties I enjoy. Rilee and Crystal are very hot, too. My favorite movies are the Flat & Fucked DVDs. I love exactly how they are done. I really enjoyed Flat & Fucked 5. That is a favorite. I'm hoping a *Flat & Fucked 6* will be on the way soon. Panty and bras are a must in that DVD. You have beautiful, young girls. I also have enjoyed a lot of your DVDs. Thanks for the good work.-H., Wichita, Kansas

Dear H.,

We did recently come out with a Flat & Fucked 6 DVD! You can order it on page 9. If you check out the Best-Selling DVDs Special on page 12, you'll find that your beloved Flat & Fucked 5 made the list!

Kirin Finally Fucks

Dear Virgin Territory,

It was good to see Kirin again. I know she has been around for a while, but I think this is the first time I've seen her in hardcore (correct me if I'm wrong.) I was very glad to see her finally ride a pole in your magazine! I always thought Kirin had this fresh, girl-next-door appeal to her. She's very natural looking, and I love her freckles. She has fueled many of my fantasies throughout the years. It's good to finally be able to add some concrete images of her fucking to my imagination. I hope to see more of her soon.—K. via email

Dear K.,

Although the pictorial was not featured in 18eighteen, Kirin also shot a hardcore scene that was featured in the DVD Boned at Home. You can order it on page 9.

Erotic Shaving

Dear Virgin Territory,

As I've stated before, a series of models seen in the act of teasingly shaving away everything from that special area of their bods, stroke by revealing stroke, have become increasingly rare. Being a long-time

lover of erotica, I remember the days, not all that long ago, when there were numerous magazines dedicated strictly to this particular niche of erotica. I can think of at least four monthly titles back in the day when such magazines were

common, all which I bought with eager regularity. Now, go into any shop that purveys erotica, and one is not likely to find any magazine or true DVD that deals solely with the subject of this series, i.e., strictly models shaving for the eroticism of it. I wish The SCORE Group (it of sunny Miami) would consider reviving this niche of erotica with either a dedicated website or magazine. After all, TSG has websites and magazines that deal with practically every other niche of erotica, so why not one dealing strictly with erotic shaving? I think it's high time for a revival of shaving magazines. Come on, TSG, what do you think?-S.F., via email

Dear S.F.,

This is an interesting concept. We'll definitely take it into consideration.

Morgan's Meaty Curtains

Dear Virgin Territory,

I often rate your magazines by how far in it takes me to cum. Usually I

blow a load about three-quarters of the way through. In a really good issue, I will shoot one off by the time I get to the centerfold. But in the Jan. '13 issue I came good and hard by the time I got to Morgan's pictorial, which was only the second one in the magazine—a record! It must've been those cunny curtains of hers.

She sent me over the edge with her cute face and perky boobs. The photo of her on page 32 with her pussy lips dangling down and her buttcheeks spread wide open is the shot that did me in. My explosive load almost hit the ceiling as imagined burying my face in her rump and sucking on those lovely, meaty curtains. Some guys like girls with a little meat on their bones. Well I love a girl who can put her meaty pussy on my bone!–F.W., Roanoke, Virginia

Dear F.W.,

Here's a bonus photo of Morgan and her big pussy lips for you!

Pleased with Sydney

Dear Virgin Territory,

Sydney is the ultimate flattie. She's definitely one of my favorites. I thoroughly enjoyed her hardcore pictorial in the Jan. '13 issue. I must say, the photo on page 91 of Sydney's spread out pussy is quite hot, even though she isn't even fucking in the photo. I even oozed a little precum looking at it, and I'm the type of guy who prefers

hardcore! Anyway, I just wanted to say great job with bringing us a tremendous flatchested cutie like Sydney and great job with her hardcore layout. The penetration shots were all hot, her pussy and butthole both looked delicious and the cum shot was nice and big and creamy...just how I like 'em!-E.B., via email

Morgan's big pussy lips stick out and beg for a sucking. Dear E.B.,

Thanks! If you'd like to see the video for that pictorial, check out the DVD Flat & Fucked 6, available for order on page 9.

Bella Ella

Dear Virgin Territory,

I love skinny, small-breasted girls like Ella. She's so beautiful. I jacked off to her pictorial three times in a row and came really hard every time. I was about to go again for a fourth round, but I was running low on jizz and wanted to make sure I had enough to give her the healthy load she deserves. The next day my balls had recovered and I produced the biggest load yet for her. Please tell Ella that I think she is a goddess and the prettiest girl evevr. And I hope she likes cum, because I have plenty of it for her.—W.B., Plant City, Florida

Dear W.B.,

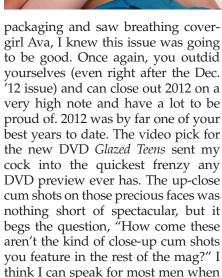

We're sure she'll be flattered when she reads this! In the meantime, there's a bonus photo of Ella on page 8 for you.

Creaming and Finger-Stuffing

Dear Virgin Territory,

open the

I just received my Holiday '12 issue of *18eighteen* and HOLY FUCK is it good. I've already jerked off more times than I can count, and my dick is so sore and about ready to fall off and my balls are so drained. But it's well worth it. As soon as I ripped

facials like those in the video preview (of course creampies take precedence over all else).

The first teeny sex kitten was covergirl Ava, and she is dynamite and definitely my new love. Her entire layout would turn a gay guy straight, but the pictures of her spread pussy on pages 20 and 22 absolutely take the cake. Just look at how beautiful it is totally bald, and it looks so fucking wet and delicious. I would bury my head between her legs and spend hours there. Ava is perfect by every definition of the word. Abby was next and she was another smokin' hot teen tramp. Her entire layout was sizzling. Her picture on page 30 was a spec-

tacular shot of her bald, little cooch and perfect asshole. She has pussy lips one could suck on for days and an asshole that looks so yummy and tight. Abby is my kind of girl because, as is evident on page 35, her pussy gets super wet and oozes out its creamy white girl sauce. 18eighteen, you need to know that not every girl is able to cream like did on page 35, so when you have something this precious it absolutely needs to be shown. I just wish you had shown her on her back,

even better. Mandy was third in this issue and after getting through her layout, I could contain myself no longer and shot one fucking massive load of cum all over the last page of her layout (see, you could tell just how good this issue was)! Mandy is another balldraining babe with a gorgeous face, bald snatch, beautiful tits and fine ass. I loved the shot of her twat on page 41 with her fingers buried deep inside her. Mmmmm. Alexis was number four, and while by no means the hottest teen, her layout was good. The picture on page 46 was a nice one of her spreading that butthole and inviting a cock inside. And what a great picture of her spread twat on page 47, Continued on page 85

When the weather is warm Diana will do more than just sun bathe.

"I have had sex outdoors before. But I will only take off my clothes around someone that I know, not a stranger! From what my friends have told me, a lot of us Russians like to fuck outdoors when the sun is out and it is warm. The nice weather must make us want to take off our clothes! I find it exciting to do these things, but I'm sure our parents would not approve!"

Guys, take note of this...

"I like to masturbate in the shower, but I don't like to fuck in the shower. The water washes away my pussy juice. We can do oral in the shower, but let's save the fucking for the bed."

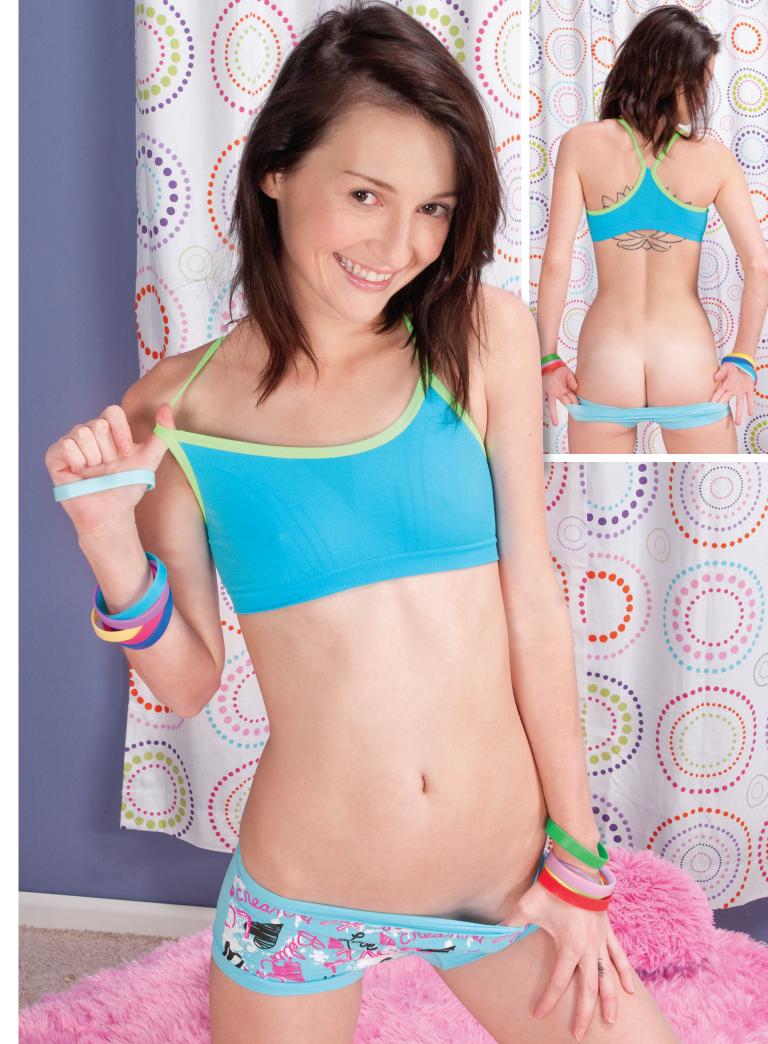

We are blown away by Kira's incredible flatness!

The first time we saw photos of Kira, we knew she would be an excellent addition to our itty-bitty titty committee. Along with the likes of Kristine (April '13) and Sydney (Nov. '12), Kira has now joined the ranks of our Super Flatties. They're kind of like small-titted superheroines whose powers are making guys blow huge loads of cum! "The guys I fuck are all flattie fans. They love cumming all over my tiny tits."

We all have that fuck of a lifetime...

The one that goes down in our memory bank as an amazing experience that can probably never be topped. It could be finally hooking up with a girl you've lusted after for a long time. Or a crazy three-way, or maybe a very public fuck session. Although Candy isn't the most experienced girl, she has her own fuck of a lifetime story. "I had a huge crush on my English professor. He was hot, and I'd always leave class with a wet spot between my legs. But I didn't think anything would happen. Until one day I went to go eat at this divey, little bar/restaurant and he was there."

It all comes together for one hot fuck!

"He came and sat next to me to talk. He was flirty, so I tested the waters by putting my hand on his thigh. I moved higher and felt his boner. So we decided to get out of there, and we started making out on the side of the building behind some crates. He started fingering me, then turned me over so I was facing the wall. He lifted my skirt, pulled down my panties and put his cock in me slow and deep. I was wet so it just slid right in. I came almost instantly. It was the horniest experience of my life."

rave about the joys

of "vacation sex," but replace your "old lady" with a bunch of horny, young girls and you get all the benefits,

By Payton Parker

ackenzie, 23, believes fervently in the power of Spring Break. The vast majority of her life is consumed by graduate school-she studies a highly specific field of life science at a Virginia university and hopes to one day earn a Ph.D. When she's not studying, she's working to pay the bills. Her sex life, she admits, is nonexistent.

"This year, for Christmas," she told me as I admired her post-vacation tan at a diner on the edge of campus, "my parents rewarded me for my fourth consecutive semester of all As. They sent me on a cruise with my best friend. It was amazing."

fun. And that definitely meant sex because I couldn't even remember the last time I had it!" Mackenzie also admitted that in the days leading up to the trip, she did something she pretty much never does. "I watched porn on the Internet," she whispered. "It got me pretty horny. I began to think about the idea that I

> could just get nasty with someone-even just for a quickie-let him get me off and say goodbye. It was hot."

Mackenzie is a stunner-about 5'7" with a long, dark blonde hair and a body built for sin. "I do CrossFit," she said. "Not having sex makes working out even more important. The body needs release. I was looking forward to ignoring the gym and relying on orgasms to chill me out!"

> The first order of business once onboard was vacation vibe. "I spent two solid days out on the deck by the pool in my new black-andwhite-striped bikini," she said. "I switched off between the free rum drinks the waiters were walking around with and water to stay hydrated. I think both did a good job of keeping my pussy wet!"

Behind her sunglasses, her eyes were roving. "After about a week of watching sucking and fucking on my

laptop, I was checking out every bulge, looking for someone who seemed strong, silent and very, very generous-when it came to what he'd do to me and what he was packing!"

married couples

After some consideration, Mackenzie decided she wanted a married conquest.

"It took some time to get over the idea," she admitted. "That's so not who I am. But I didn't want some guy chasing me around the ship looking to hook up again. I don't have the time. I wanted to cum, cum, cum and then watch him go, go, go. I figured a married guy would have the same fantasy in mind. And I was right."

She met him while waiting for a drink at the bar.

"The bar was three deep and we were at the back of the mob. I was behind him, admiring the eagle tattoo at the base of his neck, when he turned around and we were eye-to-eye-same height. He startled me, then smiled and apologized. Great teeth, probably late 40s or maybe a really-in-shape early 50s. Sexy eyes with the beginnings of crow's feet at the edges. He'd have looked right at home in a pair of jeans and a dirty t-shirt, working under the hood of a muscle car or something..."

"Whoa, sorry," he chuckled. "You know I think there's a bar inside with no line..." He was trying to be helpful.

Mackenzie had seen him earlier with a teenage boy who appeared to be his son. She wasn't 100 percent sure, but in a split-second figured she'd take the chance.

"Or we could go grab a water out of the mini-fridge in my room," she responded.

His eyes widened with surprise, then settled on hers. He realized she was serious.

"Lead the way," he growled. "I'll follow at a safe distance." Jackpot! Mackenzie had chosen wisely. He was already focused on the two most important things: fucking and discretion.

As she entered her cabin, she noted him rounding the corner of the hallway, just close enough to see which door was hers. He knocked. She opened. He slipped inside and then his tongue was in her mouth, his cock tenting the material of his damp trunks. His passion surprised her. It had been so long since she'd felt a man's body against hers. She moaned, sucking on his tongue, bringing her legs up around his waist, reveling in the sensation of his warm, rough hands cupping her ass as he walked the few steps over to her bed.

Easing her back, he continued to kiss her, his dick straining the confines of his shorts against her pubic bone. She ground her tight, little pussy against it, arching her back as he eased her bikini top aside, firmly taking hold of her

tiny, perky breasts, sucking one nipple, then the other, into succulent, rosy peaks. She felt her cunny gush, wondering if his wife would smell her scent on him, then smiling with the realization that it wasn't her problem.

"I wanna taste you," he breathed in her ear.

Now she got a little nasty and coy, easing her arm down and pulling her bikini's crotch to the side, showing him her sweet, little muffin, covered in a silky patch of dark blonde, spreading her lips for him, popping her hard, little cherry out. Daring him to suck it.

Licking his lips, he buried his face in her, sliding two thick fingers inside and plunging deep, working her G-spot, sucking her clit, flicking it with his tongue. She was glad she'd shaving the lower half of her snatch, reveling in the

feel of his whiskers on her naked labia, loving the way his beard tickled her taint as he dug his face deeper into her muff. She laughed a little, just as she came a creamy river onto his tongue, bucking and screaming. He was never going to get the smell of her out of his beard. Not without a good hot shower.

She flipped on all fours and wiggled her butt, demanding his cock. "Fuck me!" she commanded. "I want to watch us in the mirror." He took the shorts down and the monster sprang free. She sucked it, enjoying the man-scent before turning, presenting and again, placing her order. "Fuck me!" she said. "Now."

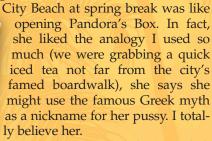

He did. And she watched his fingertips dig into the soft flesh of her hips, his face as his eyes went from the action below to hers in the mirror. They shared a smile. She realized they didn't know one another's names. It made her nipples and clit harder. She reached down and began to twiddle her twat, enjoying the slippery sensation of his shaft as it worked in and out of her pussy. She squeezed his balls. He was ready.

"Let me watch you cum," she said, working herself into another orgasm as he yanked it free, shooting his load over her ass and the curve of her lower back. She collapsed on the bed for a moment, smiling weakly.

"See you at the pool," she said, giving him a cue to exit and a quick wink. "Thanks for cumming."

Panama Jack-Off

Jasie is an average student at her small, Southeastern town's local beauty school. She just celebrated her 18th birthday, and turning the likes of her loose on Panama

"Pandora's Box!" she squealed.
"I love that! There was good stuff in her box, right? There for sure was good stuff going on in mine down on the beach!"

Jasie is all about a good time. Always was. "I was just born horny," she said, not softly. Two college boys in line at the counter overheard. She then eyed them playfully as they smiled back. I almost felt like I was in the way. She was clad in a cute, red one-piece suit with cut-outs at the waist. It's basically a bikini with a small strip of material that connects it. She wore it like a living doll, nipples on tiny, barely-there breasts visibly aroused and showing through like erotic pencil erasers.

"God, the tall one's hot," she

said, shifting in her seat. "I bet his cock is big. The little ones are easier to suck, so that's kind of fun, but the big ones get my pussy all kinds of hot..."

"Didn't you have sex like 15 minutes before you met me

here?" I asked.

"Yes!" she squealed, giggling. "I'm sorry. I get distracted. iPhone generation! But no, I didn't have SEX sex. I had oral sex. I mean I GAVE oral sex. I sucked dick. But it got me hot, and I'm actually still kind of wet. And so, I wouldn't actually mind getting off." She stopped to sip from her straw and eyed the college boys again.

"How did this encounter happen?"

"Well, I dig lifeguards..."

"You hooked up with a lifeguard? Just a few minutes ago, on the beach?"

"Two actually."

"I'm going to stop talking now," I told her, sliding my digital recorder closer.

"Well, I was out kind of early and I saw this hot life-

and stuff. I had just gone for a run, and I changed real quick and wanted to cool off in the water–so I did–and I watched him while I was swimming. Then I came in a little closer and just kind of sat near the edge of the beach with the water about waist high on me. The surf is real gentle today, so no worries about getting slammed by waves. He was really cute. Tall. Dark hair. Great tan. And no one was out, really. Occasionally people walking and a couple of people setting up here or there, but no families or anything, and so I reached down and started to touch my pussy through my suit, thinking about this lifeguard, and I felt my cunny getting all tingly. I felt my pussy lips getting bigger. My clit felt all funny the way it does when I start to get turned on.

"And then I noticed him up in the stand. And he had his binoculars. And when he saw me see him, he smiled. And my heart skipped a little. And then he waved. And so I stopped fingering my pussy and I waved back. And then he waved at me to come to the lifeguard stand. So I stood

up and walked, slowly, with my nipples getting hard in the cool air because I was soaking wet from head to toe and even between my legs-but that wasn't from the ocean.

"I climbed up into the guard stand and he said hello and that his name was Jason, and I laughed because my name is Jasie-because my mom was sure I was gonna be a boy and was going to name me Jason-and he laughed and we talked a little. He asked me what I was doing being all naughty there in the water and I told him I thought he was cute. And then, believe it or not, I got a little shy because I felt my whole body get flushed and pink and he laughed and touched my shoulder and said, 'You know, Jasie, I'd love to kiss your pretty mouth, but this lifeguard stand is open on all sides and if my boss saw me making out with a hot girl while I was supposed to be watching the beach, I'd get fired. And I need this job.' So I looked down at his trunks-they were all red like the kind they wore on Baywatch - and I could see that his cock was getting harder by the second, and I said, 'Good thing the walls aren't open all the way down. You'd probably get fired just for standing in here with your cock all hard and big like that.' And then it was his turn to turn all red. It was cute. And he didn't say anything. He just looked at me. And I was looking at his cock, and I sat down in his chair-it was like an office chair, which was weird in a lifeguard stand but I didn't say anything about it-and I reached down and lifted the handle so it went real low to the floor. And then I looked up at him and curled my finger at him to walk over. And just as I took his trunks down and got my lips around the big pink mushroomy head of his prick, his boss walked in.'

"WHAT?" (I had promised not to talk, but, you know.) She laughed. "Yeah. I was smiling, though, because hey-it wasn't really my fault. The guy walked in. But the funny thing was-he was way-hot, too! Just as tall as Jason, but a little older. Maybe 30-35, blondish, hairy chest, built. He was the Hasselhoff guy I guess. Just younger. Jason was frozen there, with his stiff, huge cock in my hand. And then I see the OTHER guy's cock stir in his shorts. And he says something like, 'Room for one more...?' And I was like, what the H. So he walked over, and I was sitting there between two thick, gorgeous cocks."And then I sucked them. First one at a time, loving the way each of them would moan and watch me suck and squeeze and yank. I think I was like an interactive porno or something! [Furious giggling] I got to playing with them. You know, making that "pop" noise when I pulled one out of my mouth. The older guy liked it a little more, I think. He was way more relaxed. Jason was hard as a rock, but more nervous. I guess you can't blame him. At the end though, when I felt their cocks hardening up, when I was sucking and licking and moaning a little myself, what I'd have given for another hand to touch my pussy. I think one little touch of my clitty and I'd have been just cumming like a crazy girl. And I think they could feel it, too, because I pulled them out of my mouth and just kept them close and was sort of tonguing them both at once and then the cum just bubbled out of them both, right at the same time. In my mouth, on my face, down my chin and on both my

thighs because of how I was sitting spread-eagle on the chair. Mmmmm, god it was amaaaaazing...!"

"Wow." It was all I could muster.

"Stick around," she said, nonchalantly. "I'm going to hook back up with the boss man at the end of the shift if you want a report. That's what I love about older men. He was all about me getting mine. He promised me a night I'd never forget. And I believed him...."

Full Tilt

Sarah was playing the old-school Galaxian machine in her dorm's basement game room when Ernest, the second-floor RA came in and flipped the lights on. She flinched.

"What the Hell!"

"Oh, sorry!" he said, laughing, flicking them back off. "I didn't know anyone was in here."

"No prob," she said, now back to watching the screen. "I like playing when it's dark. Seems more like an arcade and less like a ghost town."

She and Ernest and

perhaps two other students were the only ones left in the giant residence hall. Everyone else had either gone home or on vacation for break, but this year her parents had planned an anniversary vacation and she decided it was easier to just stick around than endure a 12hour round-trip drive just to spend a week in her empty house.

"Yeah. It is creepy, kind of like the scene of a horror movie around

here." Sarah chuckled, toned arms flexing in the blue light of the video game as she worked her score ever higher. "That's uplifting."

Ernest laughed. He had a nice laugh. Nice smile, too. She only knew

him casually. They were both pretty to themselves and studious, and he lived one floor down. They didn't have much reason to interact. But now, here they were. All alone. He strolled over to the pinball machine. Another old-timey one. Lucky 7, it was called. Had these great images: roulette, black jack, sexy showgirls clustered around a good looking high-roller in clothes from the late 70s. Maybe early 80s. Sarah wasn't sure. It was a cool game, though.

"Where are you going?" she said.

He laughed again. An easy laugh. She liked it. Maybe too much. She felt her nips getting a little hard beneath her thin sweater. She wished she'd put on a bra, but figured she'd be alone for the duration. He turned and saw them and flushed. That made them harder. Now they were both pretending. There was a vibe here. A very good one.

"Well, you look like you're settled in to play that for awhile," he said, slipping a quarter into the slot of the pinball machine and settling his

hands on the

buttons, "I want to play, too."

It sounded sexy.

"You like pinball?" he asked.

"Oh, I totally love it," she said. She wasn't lying.

"Any good?"

"If I throw my game here to play pinball with you, you're going to owe me one."

He laughed. "Oh, really?" he said, bemused. "What will I owe you?"

She slipped between his body and the machine like a slinky black cat. He was almost startled, but his hands settled easily on her slender waist, lifting her up to sit on the machine. She was tiny. Probably not even a hundred pounds. She leaned in and kissed him softly, full lips on full lips. It grew passionate. Hot tongues touched. Her panties got wet. His hands touched and pulled at her nipples through the soft sweater. She purred.

"Wanna play?" she said, hopping easily off the machine, pulling the

plunger, working the bumpers with his rock-hard cock pressing on her ass through his jeans, through her worn sweats. It settled neatly into the cleft of her tiny ass. She backed up on it, loving the steely sensation, feeling the cotton panel of her panties grow still wetter with lust.

She lost a ball and he took the next one but lost it quickly. One hand had left the bumper and had slid down into those wet panties, fingers searching in the wet, hot cleft of her satiny girl parts, one finger lower, playing around the entrance, one higher, gently dusting her fat, swollen clit.

"I wanna suck that little thing," he whispered in her ear, still behind her, cock harder.

She dropped to the floor suddenly, sweats down, on her hands and knees, head beneath the pinball

machine, ready for action.

"Suck it, then," she teased, turning her small round rump up, teasing.

"You can't play like this," he said, reveling in her surprised gasp, her pussy drum-tight as he slid the full nine inches of his dick up inside her wetness. She moaned. She purred. She shut up with the teasing. And she loved it, the way he slid it in and out so slowly. It was so long that it felt like a full minute each time.

"Fuck," she breathed, turning over, pulling him down, kissing him, getting him up inside her again, "you're bigger than my vibrator!"

They kissed hard, her legs wrapped around him; he felt the wetness of her snatch dripping down into the crack

of her ass. His balls were wet with her syrup, they slapped audibly against her as they fucked. She was grunting hard, biting his shoulder, cussing in his ear like a sailor one moment, cooing like a sweet girl the next.

He yanked it out, leaving a pool of cream on her taut, pale stomach, filling her cute belly button with it, watching with a stir in his just-spent sac as she daintily dipped in a finger and took a quick taste.

"Is there more where that came from?" she purred.

"Definitely."

"Good!" she chirped. "Now get me some napkins to clean up so I can kick your ass at Galaxian first. Winner takes all." She paused for effect. "Up in my room."

It was going to be a fun spring break after all.

Mindy knows how to put on a sudsy show!

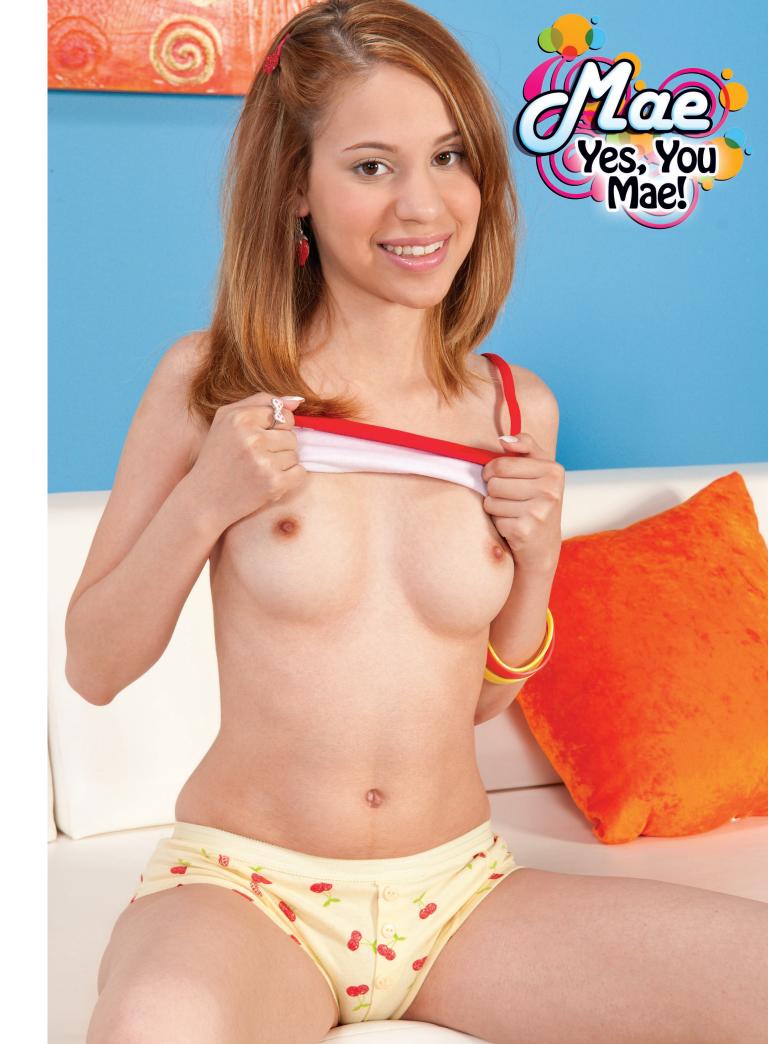

Like many girls her age, Mindy earns a few extra bucks washing cars, and in this case, her tenant's motorcycle. "He lives in an efficiency on the side of our house. He pays me to wash his bike, but it's mostly just because he likes to see me in a bikini. Honestly, I get off on him watching me and pitching a tent, so I play it up for him."

By now, you should know that Mae is not as sweet as she looks!

She told us a pretty crazy story about having sex in a cafeteria in the Oct. '12 issue. And in Dec. '12 we saw her get filled up with cum. We love it when such an innocent face is attached to a very horny pussy. "I think normally I'm a nice, sweet girl. I like to play with my dogs and go out to eat. I'm not a big party animal or anything. But when it comes to cock I change. That's when my wild side comes out. My mouth will literally salivate when I start thinking about a big cock. I don't drink...I don't need to because I get dick drunk. I just love it so much and it makes me feel so incredible."

Mae has some sex goals that she would like to accomplish for a guy.

This may be hard to believe, but sometimes Mae can be shy around guys, especially ones that she really likes. "I'm a lot more confident around dudes that I'm not that into. I guess because I don't care what they think!" For a while now, Mae has had a huge crush on a guy she's dying to fuck. But she hasn't made a move 'cause she doesn't think she's ready for him yet. "He's so hot. I'm dying to fuck him, but I'm kind of glad it hasn't happened yet. He deserves the best, and I want to improve my pussy before we get it on. I mean, my pussy is nice and tight and pink, but I really want to perfect my reverse cowgirl and deep-throating skills first."

VIRGIN TERRITORY

Continued from page 8

and page 48 had a nice shot of her fingers deep inside her.

The first hardcore layout was that of Molly. I enjoyed the picture of her wide-open pussy and asshole on page 53, and the cum shot on her face was a beauty. The very beautiful Jenna was next and her layout began to get my cock hard again and my balls refilling with cum. What an absolutely priceless picture of her fingers deep insider her tight snatch as well. That seemed to be the theme of this issue, and I loved it! The bottom photo on page 66 gave a very nice shot of what I'm sure is a very delicious asshole. There wasn't anything good to say about Hayden's layout primarily

because of all her tat-

toos. She doesn't have that all-natural look. A few tats would've been okay, but she is ridiculous. Jessi was after Hayden and her layout had me cumming a second time. I love Jessi's flat tits and her bald, vice-tight twat. Just look at those amazing pics on page 83. Her open pussy is just screaming, "Fuck me!" I love the other picture there where, again, her fingers are buried inside her, but especially because you can see her little clit. Lexa's hardcore layout was next, and I must say that she isn't the least bit hot. The only thing good to say about this layout is that I did like her taking a big load in her mouth.

Way to go, 18eighteen. What another amazing year for you.-M.F., Camp Hill, Pennsylvania

Dear M.F.,

The Holiday issue was full of all kinds of hot pussy. We're glad you enjoyed the fingering and creaming photos and the cum shots. Speaking of which, Molly is back in this issue, and she gets another juicy load on page 63!

Staci's Delicious Flesh

Dear Virgin Territory,

2013 has already started off with a bang with your Jan. '13 issue. Wow! There were tons of things to love about this issue, like cuties Katie, Morgan and Ella; the incredibly sexy flatties Jodi and Sydney; and Lilly's pin-up bush. But what I love the most about the Jan. issue is Staci. She is really great and you were right to title her pictorial "Irresistible." I would not be able to resist such a pretty face or delicious body! Her pink pussy and tight, little butthole are just begging for some action-a hot tongue or a hard cock or something. Her perky tits need cupping and squeezing and those pretty, round nipples need a good sucking and licking. Any guy who is lucky enough to get with her would have to be a fool to not kiss this girl from head to toe and taste every inch of her delicious flesh.

I loved the photo of Staci fingering her dark-pink slit on page 46. Her pussy looks so tight, I can just imagine it squeezing my cock. I love it when girls have little, tiny pussyholes like hers. The photo of her butthole on page 49 is also primo. I wish I had a porno mag like yours when I was younger. Then maybe I would've had an idea of what to expect or what to do the first time I fooled around with a girl! The centerfold of Staci was also great. I'm being literal when I say that my mouth started watering over how delicious she looks!.-G.G. via email

Dear G.G.,

If you turn to page 88 (in the International edition) you can see her in hardcore action!

No Stubble

Dear Virgin Territory,

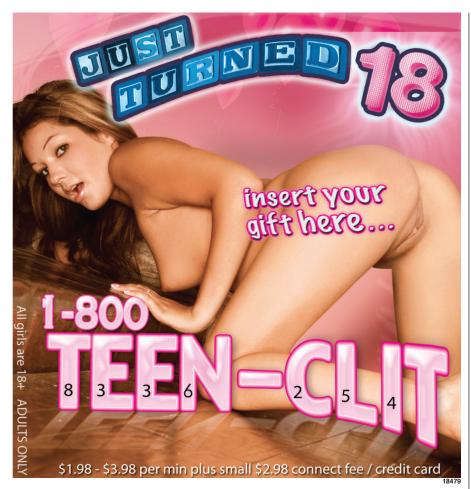

What was up with Jodi's stubble in

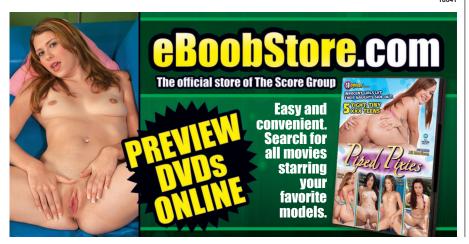

the Jan. '13 issue? She is a cute girl but she needs to shave her pussy, because that 5 o'clock shadow she has going on down there is not attractive. I mean, she knows she is going to a photo shoot where she is going to show her pussy. Why wouldn't she shave it? I guess like her pictorial says, she was trying to grow it out. I think she should've waited till that bush in full bloom if that was the case. Her stubble in that pictorial kind of ruined it for me. I would love to see her with a smooth, freshly shaved twat.—R.S., Las Vegas, Nevada

Dear R.S.,

Jodi was freshly shaved the next time we shot her, which was in a girl-girl pictorial with Sindy that ran in the March '13 issue. We hope it's to your liking.

Katie's Brown Eye

Dear Virgin Territory,

Katie is a total cutie. I love her big brown eyes and of course her beautiful brown eye. I think the girls in 18eighteen have the best buttholes around. They always look so tight, pink and perfectly puckered. Katie's starfish is definitely in need of a licking. And her tight pussy needs servicing by a guy who knows how to fuck a girl right. I think I could give Katie exactly what she needs: a nice, hard bone buried balls-deep in her tight pussy! If I only I could be so lucky to give it to her. I'd fuck her in every position imaginable, and I wouldn't stop until she came hard. Then I

would blow my huge, hot load all over her pretty tits and flat stomach while she rubs it in and takes a taste from her finger. I will be buying the Cotton Tail 2 movie to see her pretty pussy get stretched out by a hard cock. Can't wait till it gets here. Thanks for another lovely girl, 18eighteen.-G.S., Westchester, New York

Dear G.S.,

We hope you like Katie's scene in Cotton Tail 2. It's a hot one! Let us know what you think.

Best Brace-Face Babes

Dear Virgin Territory,

You always find top-notch teens with braces. Sindy is no exception. She was my favorite girl in the Jan. '13 issue. I wish you could do an issue where every girl had braces, but I know it's probably hard to find cute metal-mouth girls who are willing to pose nude. But a guy can dream, right? Well, Sindy was definitely the cherry on top for this issue. She has the best smile and those cotton panties look adorable on her. And even though she looks so sweet and innocent, she sounds like a really, fun wild girl! I can't wait to get to know about her in future pictorials.-G.A., Garden City, Kansas

Dear G.A.,

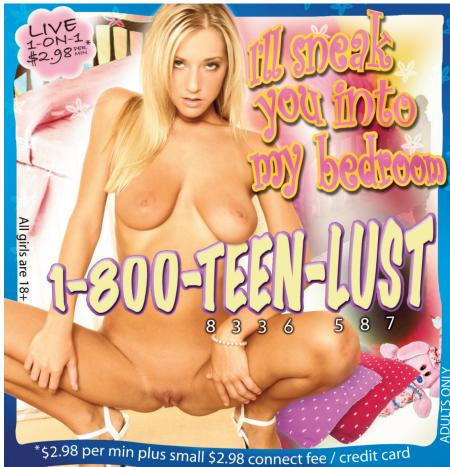

We too dream of the day we can run an all-braces issue of 18eighteen! But you are correct-metal-mouth girls are hard to come by. Which makes us appreciate them all the more.

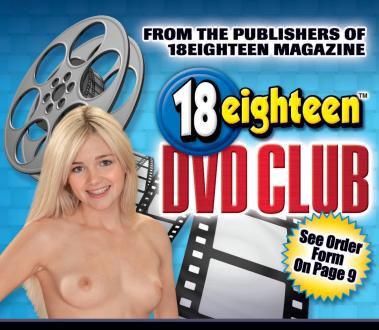

Staci means what she says.

It's obvious that she loves cock in this scene. (Watch the video in *Cotton Tail 2*, available on page 9.) The perky-titted teen gladly takes on this cock, moaning and loving it all the way to the end. And the best thing about this cum shot? Staci does the last of the legwork, finishing the guy with her mouth and swallowing his whole load. "I've gotta have my cum!"
